

Dear Parent/Carer,

Wearing of Jackets

Your child did not have a jacket when they arrived at school today. This concerns me greatly especially given the weather that we can experience at this time of year. Not having a jacket to wear also prevents them from going on any external journey from the school and this in turn leaves me with the difficulty of providing a member of staff to supervise your child while their class is out of school.

Please ensure your child brings and wears a jacket to school every day. If they appear without a jacket I will return them home.

Yours sincerely

Kathleen Cassidy

Head Teacher
