

So that was April

Although it's only been 2 weeks, we've been busy as always.

Staff are writing pupil targets and the end of the year reports. New pupils are arriving and needing to be assessed. High School visits are planned and our P7 pupils are preparing for our residential week at Kilbowie Outdoor Centre.

The Fair trade Take-Away Café which was run by the Fair Trade Focus Group went well with Mrs Cassidy's banana bread selling out. Bless her. Our headie is not known for her cooking skills!

Our Eco Committee have been working hard to ensure we retained our 4th Flag Status. The committee crowded round the office phone. Mrs Loudon, our lovely secretary put us on loud speaker so we could hear the good news.

Thanks to Miss Cassidy and the committee for all their hard work like organising the dog fouling campaign in Drumpellier. Thank you for constantly nagging teachers to use both side of paper, cut down on photocopying and put off lights. Thanks lads for sorting the bins and making sure all our waste is properly recycled.

Thank you to Mr Woodcock and his men for all their hard work building the recycled garden. Thanks also to Mrs Dickinson, her green fingers and the lovely Mrs McLaughlin and Mrs Loudon for attending meetings and keeping folks on task.

Finally, well done Mrs Miller for putting it all together.

We have Eco Walks organised soon with Jackie our lovely Drumpellier Ranger in the next few weeks.

Next session we'll focus on litter, energy and sustaining our world as our new Eco targets.

Yours

Carla
